

The Ultimate Freebie

by
Reverend Fuzzy

I'm sure you've seen offer after offer of something for free... especially if you're receiving any sort of electronic mail. Is there truly a freebie out there that actually IS free?

The answer is a resounding "YES", and I've come here today to tell you all about this offer. Before you decide this is another scam, please take the time to read through this document from beginning

to end, discuss it with friends and family, and decide if it's for you, before moving forward. If at that point, you still feel this isn't for you, feel free to walk away. There's no pressure. Here it is...

Friends... are you sick and tired of being sick and tired? Are you enraged as you watch countless opportunities pass you by for someone less deserving? Have you gone long periods of time without knowing happiness? Do you want to live at a higher standard? Well, if you've answered "yes" to any of those questions, then this offer is for you.

You too, can get healthy, get opportunities, and live at a higher standard, and it won't cost you one red cent!!! Right now, you're probably skeptical, and you're trying to figure out exactly how all this can be made available to you for free... well, the answer is simple... the bill has already been paid.

You see, a little over 2000 years ago, a very smart and humble man, the only son of a successful leader, delivered to us, a set of rules his father created for us to live by, that would have us living better. This man so believed in this plan, and wanted so much for us to live better lives; he gave his life so that we would have the opportunity to partake of it.

In case you hadn't guessed, that successful father is God. That smart and humble son is Jesus.

If you want to get in on this simple, yet wonderful way of life, you simply need to renounce wrongdoing, and ask for the new life... repeat after me...

"Father, I know that I have broken your laws and my sins have separated me from you. I am truly sorry, and now I want to turn away from my past sinful life toward you. Please forgive me, and help me avoid sinning again. I believe that your son, Jesus Christ died for my sins, was resurrected from the dead, is alive, and hears my prayer. I invite Jesus to become the Lord of my life, to rule and reign in my heart from this day forward. Please send your Holy Spirit to help me obey You, and to do Your will for the rest of my life. In Jesus' name I pray, Amen."

If you've just prayed that prayer with me, congratulations... you're on your way to a better life. If not, then it's still not too late to back up a paragraph or two. For those who opted in, there are other bonus features, like eternal life and never having to be alone again. If you've opted in, write me, and let me know... your story may get posted on the ministry website. pastor@msbministries.org
