

We make getting married affordable to the general populace.

HOW MUCH WILL IT COST ME???

Reverend Fuzzy's honorarium (fee) is a flat rate of ***\$70** to officiate any wedding from a regular civil service, all the way up to a full-on religious service. This is an almost non-existent markup, as he will come to your location, officiate, and process the paperwork for you.

Most other ministers, priests, or rabbis, judges, and even notaries will charge anywhere from **\$100 to \$500** for this same service.

WHAT ELSE DO I NEED TO HAVE???

Besides having your officiator (Minister), you will also need these minimum items to make a wedding possible...

- A Bride
- A Groom
- A marriage license
- A place to do this in.
