

# Non-Denominational Minister For Hire

Got a marriage license and a place for the event?  
Reverend Fuzzy will be happy to officiate with all the dignity, class, and grace that is called  
for by your most special day of days.\*

Why go "iffy" with a Justice Of The Peace or a Notary Public, pondering the authority of said official to  
officiate for years to come, when you can be sure from day one by going first-class with genuine clergy?

Reverend Fuzzy is providing matrimonial rites for most of Southern Mississippi for one  
GUARANTEED low honorarium.
